Dear "First Name"

Thank you for registering for the Pooh Reading Corner resources and for choosing to celebrate this wonderful anniversary with Christopher Robin, Winnie-the-Pooh and friends.

This resource pack contains everything you need to create your own Pooh Reading Corner – a Pooh Corner Tree to cut out and place prominently in the library; graphics to decorate the walls and bookcases; posters to stick up in the corridor or classrooms; bunting for Pooh's Reading Corner, your curriculum-linked material; and a letter to send out to parents. If you need more, the resources are available to download from www.egmont.co.uk/poohreadingresources.

Let your staff know about the curriculum-linked resources. From searching for honey in a papier-mâché beehive, to sensory science and growing honeycomb, haycorns and watercress, pupils can enjoy learning with Winnie-the-Pooh and friends. Engaging activities are provided for Art & Design, Outdoor Learning, and Science at different ability levels for 4-11 year olds.

We hope you will help us to encourage everyone to join in the birthday celebrations. We've included a letter for you to share with parents and carers simply by photocopying it onto your school letterhead.

To coincide with the new anthology sequel *The Best Bear in All the World*, schools are encouraged to enter a short story competition. Winning entries in two age groups (4-7 and 7-11 year olds) will receive some fantastic prizes. Look out for further details coming very soon!

Have fun, take photos and do use the hashtag **#poohreadingresources** when promoting your school's anniversary activities on social media with us **@EgmontUK**

Best wishes,

The Winnie-the-Pooh team at Egmont Publishing.
