

# How to make your own Pig Nose!

What you'll need:

Egg carton  
Scissors  
Pink paint and  
brushes  
Black felt tip pen  
Cocktail stick  
String

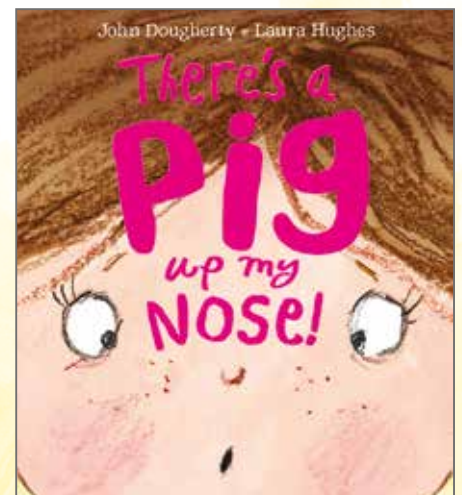

**Tip!**  
Make sure you  
measure around  
your head before  
you cut the  
string!

**Remember!** Scissors and cocktail sticks  
are sharp so ask for help from an adult  
if you need to!

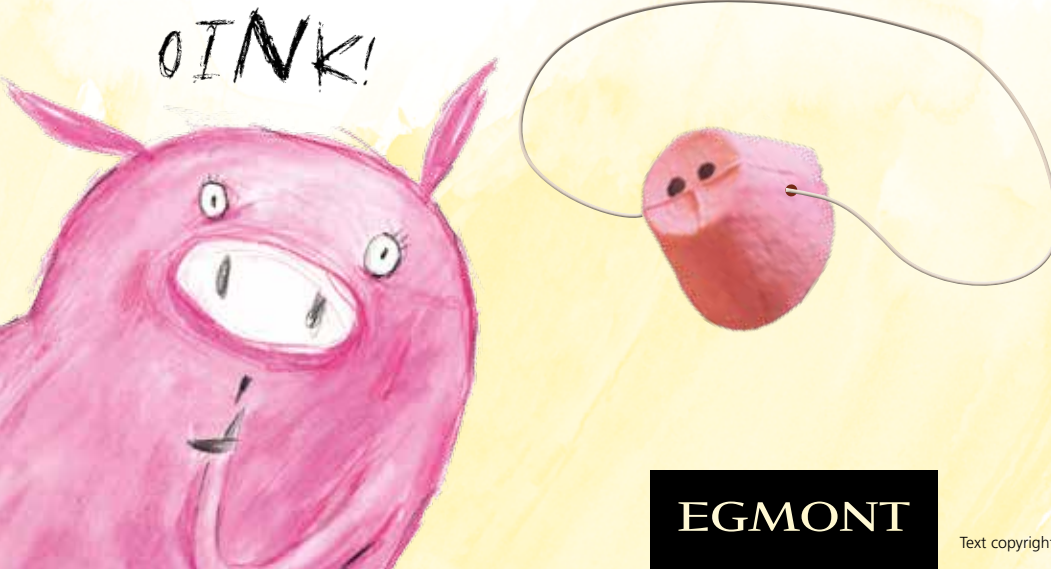

1. Cut one compartment from the egg carton to make an individual nose
2. Carefully trim round the edge to make it round
3. Paint your nose with the pink paint and then let it dry
4. Once dry, use your felt tip pen to draw two dots to look like nostrils
5. Using a cocktail stick push to holes through each side of the nose
6. Take a piece of string and thread the ends through each hole and tie to secure.
